

Attention; The Children of Northrepps

We want your help to create a design that celebrates
The Coronation of King Charles III

The final design will be used on our very own

Coronation Souvenir mug

Northrepps Parish Council invite

all children of primary school age to get creative

1 How it works; Get creative.

Put together a design that represents the village for YOU

Your influences can come from many sources;

The Church, the Gallus Plough, the surrounding countryside & wildlife, even the Domesday Book which makes mention of our village nearly 1000 years ago!

Take a look at the village sign.

For more info on the sign go to;- northreppsvillage.co.uk

2 Bring your design

To the Village Hall

Saturday 15th April 10-12

There will be free tea, coffee,
soft drinks, cakes and chocolate

3

All Designs will be considered
Members of the Parish Council,
Residents and children will all have the
opportunity vote and comment on the
submitted designs

4

A final design will be created using a
montage of elements, chosen from the
submitted designs

5

The final design will be used alongside the
Crown's official emblem on our Souvenir
Coronation Mugs. These will be gifted to
children of Primary school age within
Northrepps Parish. Additional mugs will be
available to purchase.

This project is organised by Northrepps Parish Council and other volunteer groups.
The 'Pop up Cafe' on Saturday 15th is being run by the children of Northrepps
Primary School, Northrepps Village Trust and volunteers
